Manufacturing Council Expo Draws Large Crowd

Approximately 350 people attended the Manufacturers Council at the Clock Tower Resort. Many of our members had booths and the WOTM also had an informational booth set up. The topic of the speakers for the evening was "Mapping our future in Manufacturing".

With all the interest in the evening, the Chamber is considering another Expo next year.

APRIL 16TH AND 17TH. INDUSTRIAL TRADE SHOW
WOTM will be having a booth. **Please sign up to help.** Let Melba know if you can join us for one of the shifts.

The scholarship committee has met several times and is in the process of writing the criteria for the program. The committee is definitely leaning toward have the Manufacturing Camp at the end of the summer. This would be for 8th, 9th, & 10th. Grade students.
