

# WOTM On The Move

## WOTM Forum: Online and Kicking!!

Are you looking for a used machine or tool? Can't remember when the next dinner meeting is? Did you hear about the newest event that you would like to share with everyone? WOTM has a solution.

Thanks to Kevin Thompson of Thompson Web & Computer Services, as of October 18th, WOTM has its own public online forum.

With topics ranging from community events and manu-

facturing discussions to board specific, we would love to see more of the members sign up, and utilize this wonderful communication tool. So far there are 22 people registered! Way to go!

Most recently, a member was looking for software to read AutoCAD files. The question was posted on the forum in the "Manufacturing Technologies" forum, and within a matter of a very few hours, an answer was shared and posted. The amazing thing is that this post helped more

than one person...more than one business.

There are so many other things already on the forum, too many to talk about here. Please check us out, look around, and maybe even post something new to discuss. You'll find us at: [www.wotm-rockford.com](http://www.wotm-rockford.com). Just click on "Forums", and you're there!

Any questions can be directed to Kevin Thompson. [Kevin@thompsonwebservices.com](mailto:Kevin@thompsonwebservices.com)

## Golf Outing

Chalk up another successful day for Diane Simpson and her committee! With all their hard work, 95 golfers, 26 hole sponsors, and 15 who attended dinner, WOTM made a profit of \$11,173 towards Scholarships. It was a gorgeous day, and a great time was had by all!

Don't miss next year's event!

## 2006 Membership Drive

If you weren't able to attend the dinner meeting at Lino's last month, you missed something BIG.

WOTM has started its Membership Drive! The goal is to have 100 members by the end of this year. Currently we have \_\_\_ members, and we are confident this goal is possible...with

your help.

For **every** new, paid member brought into the organization by you, current member, you will receive a free dinner at a WOTM dinner meeting. YES! That means, if you get 5 people to sign up and pay for their membership, you will get 5 free meals. Now that's a deal!!
