

Women on The Move

Issue 6

January 2006

Here we are in the first week of 2006. Many things have happened since we had our last newsletter. We are going into our 4th year. The membership is now at 87. We are hoping to reach the 100 mark this year, so be sure to put out invitations and bring in a new member and get a free dinner at one of our meetings.

The February fundraiser is around the corner. This is the annual event that raises the money we use for our scholarships, and our kids manufacturing camps. It will be February 9th. Giovanni's is the location. Please bring guests, and money. We always have such a great time, and we are so pleased to have a committee that creates the great time.

Our year is filled with interesting meetings and tours. And as usual, our golf outing is in August. Put us on your calendar.

Don't forget our website. The information there is up to date and the photos of our events are great. www.wotm-rockford.com

Dale and Wayne enjoy the 100 degree day at the golf outing in August.

Our golf outings are widely known for a real great time, so be sure to sign up this year. Diane always puts on a good event. The day was 100 degrees and they all stayed.

Russ and kids at the beginners class in July.

We all went to the prom this year. Another event that was enjoyed by all. Especially the newly crowned king and queen. Another event when the weather was a factor. 7-8 inches of snow stopped a few, but not many. Be sure to look at the web page for more photos.

The finished product. Our kids make this hammer in the beginners week.

The yo-yo that was presented to Woodward Governor by our advanced camp kids. It was our first advanced camp, and we had 11 that returned from last year

Ask Melissa about her egg trick.

We would like to welcome all of our new members, and we're looking forward to another year at WOTM. This is a really great group of men and women. Be sure to come and join us.
